## **IDS NAPLES WINS NATIONAL OUTSTANDING USE OF MEDIA AWARD**

NAPLES, Fla. (January 27, 2011) – [The Interior Design Society Naples Chapter](#) was presented with the National Award for Outstanding Use of Media at the recent National Conference held in Las Vegas, NV. This honor is given to a chapter whose website has been judged by the Interior Design Society National Board, and found to have achieved the highest standards of creativity, content, and visual appeal.

Website artist and technologist, Michael St. Amand of IMAGUN, and the IDS Naples Board of Directors worked diligently to create a website that would enhance the experience of each member, as well as consumers looking to find a residential designer or vendor.
